

PATIENT ATTENDANCE POLICY
Effective 6/1/2005

It is the policy of Centennial Pediatrics to provide excellent medical care to all of our patients; therefore, it is important that all of our patients keep their scheduled appointments. We like to accommodate all of our patients, but missed appointments prevent us from being able to help everyone.

If you fail to cancel your appointment within 24 hours of your scheduled time, you are in violation of this agreement and COULD be dismissed as a patient. Furthermore, your insurance carrier will be notified.

Patient demands require that we reduce our “no show” time to improve your access to your physician.
